## Used Car Cruises Event Sponsor Sign Up Form

Our events are geared towards individuals (multi-vehicle sellers welcome too) that are trying to sell a vehicle that is sitting on their property and not getting exposure traffic passing by. The events will typically only last 1 hour on a Saturday morning from 9am to 10 am. Vehicles are sold directly by the seller, so there is no middleman, no commission. Usedcarcruises, llc may or may not charge a small registration fee.

For your sponsorship, you will receive a rotating banner on our website. For a small additional cost, and if you have a vinyl banner, we will display this at the event. Thank you in advance for your participation in this event. We will not sell or give your information away.
